Driving Near School Buses

- Watch for school buses. **Red flashing lights** indicate the school bus is stopping to load or unload children. The bus may or may not be using the extended stop arm. **State law requires you to stop.**
- Keep an eye out for children walking in the street, especially where there are no sidewalks.
- Be alert for children playing and gathering near bus stops and for those who may dart into the street without looking for traffic.
- When driving in neighborhoods or school zones, watch for children who may be in a hurry to get to school or distracted and/or playing with other children.
- Obey speed limits in school zones and neighborhoods.
